General Comments
<p>Environment well organized and inviting with a variety of materials available for children.</p> <p>During monitoring inspection, children engaged in a variety of activities including creating a gingerbread house out of a large box, sewing felt stockings and building forts with tunnels. Children observed to be very content and comfortable in their environment.</p> <p>Lovely interactions observed between educator and children. Educator supports children's play by asking I wonder questions and offering suggestions to support them in problem solving.</p>
