Order for Compliance	Regulation	Date to be corrected	Date corrected
30(3) An operator shall maintain the indoor play area of a licensed facility to ensure the safety of the children.	30(3)	May 31, 2021	
Comments: Wall in hallway to be painted.			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (a) varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	32(1)(a)	Jun 07, 2021	
Comments: Art materials depleted. Open ended art materials to be accessible to the children. Examples of materials to include, but are not limited to: paper (variety of shapes, sizes, colours, textures), collage materials, pipe cleaners, recycled items, paper punches, loose parts, items collected from nature, rulers, pastels, paints and paintbrushes, cardboard tubes, etc.			

<p>General Comments</p> <p>Renewal Inspection:</p> <p>Children observed engaged in a variety of planned activities this morning. The children participated in circle time and discussions.</p> <p>A variety of musical instruments, books and science materials are accessible to the children.</p> <p>Positive interactions were observed throughout the morning between the educator and children. Meaningful conversations were observed during snack time.</p> <p>Hand washing routines were observed today. It is evident that cleaning and disinfection guidelines are being met within the environment.</p> <p>The children currently have individual mark making materials. These materials can be shared within the group moving forward. Mark making materials and open ended art materials to be displayed in a way that allows children to choose freely and explore their creativity throughout their day.</p>
--

General Comments

Next steps:
Adding photos of the children's learning and experiences throughout the environment.
