General Comments
<p>A renewal inspection occurred today.</p> <p>The children were observed during inside free play, circle time, handwashing, morning snack and outside play. During the circle time there was interactive participation observed by all children as well as the educator. The learning environment is set up with a variety of age-appropriate materials and loose parts for the children to interact and engage with. A camping area is set up in dramatic play with accessories to help support the children's play and learning. Children's art is displayed throughout the room.</p> <p>The children were eager to show the Inspector their outdoor environment where there is sufficient materials to interact and engage with.</p> <p>Educator was observed speaking appropriately and kindly to the children.</p> <p>Facility is recommended for license renewal, pending the recommendation from Fire.</p>
