General Comments

Monitoring report performed.
Upon arrival children involved in a variety of age appropriate activities, then they washed their hands before sitting down to eat their lunch. Educators have a variety of activities set up today - climber, working on a 1000 piece puzzle, reading area, lego, blocks area as well as children were playing basket ball.
After lunch the plan is for outdoor play and make snow sculptures. Beautiful day for outdoor play opportunities. Tomorrow they are doing a cooking activity and Thursday afternoon they are going skating. Busy group of school age children so educators have lots of activities planned.
