<p>When I arrived at the center the infants were outside. One group was in the playground and the second group was out for a walk.</p> <p>This is a very active center for outdoor play and gym play in the upstairs gym. Each classroom has a daily schedules for both areas of play.</p> <p>The Administrator and Educators were very friendly as I toured the center. The Children were happy and friendly.</p> <p>The Educators interact well with the children and there evidence of daily planned activities documentation. One class was discussing dinosaurs and worms.</p> <p>Reviewed and updated all educators files while I was there.</p>
