<p>General Comments</p> <p>When licencing staff arrived majority of the children were outside. The children were involved in a wide range of activities such as using the slide, swings and playing with the shovels and sleds. A couple of the children were making pizza from the snow. Although there are a few icy patches in the playground the educators were attentive to their safety making sure they did not slip.</p> <p>The centre is clean and organized, however a few materials are starting to show a bit of wear and tear and may need to be replaced in the future.</p> <p>Educators were observed reading stories and playing matching games with the children.</p> <p>Proper Health guidelines such as hand washing procedure are being followed and the operator has posted the required notification of illness forms at the entrance of the center.</p>
