10(1) The number of educators that are required for a group of children of mixed ages receiving services at a full-time or part-time early learning and childcare centre is calculated as follows: (a) by multiplying the number of children of the same age by the corresponding factor set out in Schedule A; and (b) by adding the results obtained under paragraph (a).	10(1)	Dec 09, 2020	Dec 09, 2020
Comments: Deficiency is now compliant Observed 1 staff with 7 sleeping infants. The child-to-staff ratio for children in a group may be reduced by one-half for napping children (for example, one staff member to 10 two-year-olds), provided that one staff member is present in the same room as the children. This only applies where: <ul style="list-style-type: none"> • the children are asleep or resting quietly on mats; • the number of available staff members in the building is sufficient to meet the child-to-staff ratio; and • the children's health and safety are not compromised by the reduction. 			

General Comments
<p>Positive child guidance and respectful communication was observed between educators and children. Observed an educator take the time to sit and talk with a child who did not want to partake in a specific activity. Educator then proceeded to assist the child in finding something that they would enjoy doing.</p> <p>Learning centres have been set up in classrooms and staff are continuously working to improve their classrooms learning environment. Please refer to section 9.2.2 of the Operator's Manual to assure maintained compliance.</p> <p>Licensing staff observed water bottles being offered to all children during time of inspection. Children were able to get their water bottles freely should they wish to.</p> <p>Infant's diapers are being disposed of in a trash bag lined garbage can with a lid located in the staff bathroom.</p>
