General Comments
<p>The Centre appeared clean and organized.</p> <p>One educator was observed dancing and singing with her group of children.</p> <p>Outside the children painted and played with the water tables.</p> <p>Outside the educators were engaged with the children. One staff was observed walking around the classroom with her hands in her pocket, not engaging with the children or sitting at the child's level when speaking with them. Staff engagement will continue to be monitored.</p> <p>Ongoing lack of positive reinforcement and encouragement when the educators are communicating with the children. Child guidance will continue to be monitored.</p> <p>The Implementation of the New Brunswick Curriculum Framework will also continue to be monitored.</p>

General Comments

The table in Discovery Drive is too small and the children's knees are above the table when sitting. The table needs to be raised so the children can properly sit at the table when eating. The chairs may also need to be replaced if they are too low to the ground if the table is raised.
