General Comments
Licensing staff arrived at the licensed part-time facility for morning arrival on September 17, 2021. The children were engaging in a variety of activities while waiting to be picked up by the bus to go to school. One child was playing with dolls and the doll house while a group of children were playing cards. The educator was engaging with the children while also welcoming children to the centre. While conducting child-to-staff ratio it was observed that the some cleaning supplies were not stored in a locked closet or cabinet. When licensing staff brought this to the attention of the educator, she moved them immediately to a locked closet. Please ensure all cleaning supplies are secured behind a closet or cabinet that is secured by a lock and key at all times to ensure that they are inaccessible to the children.
