General Comments
<p>This was a no school day for this group of children. Many children were dressed up in Christmas PJ's. Upon arrival to the centre, children were seated eating lunch and then afterward, the lead educator invited children to put away their lunch boxes and go find a book in the reading corner. The educator set up a few stations, so children had choice of activities in the afternoon. There was discussion also about going outdoors later in the afternoon. Children were observed creating rings, bracelets with elastics, other children were reading, 2 children were playing in the playhouse and enjoying dress up, others were drawing or coloring, and a lego table was also set up. The educator invited anyone interested in participating in a Christmas trivia game. Many children signed up for this activity and were really enjoying it. Children have been involved in holiday traditions for this time of year. Children were observed having a great afternoon playing with their friends and participating in a variety of age-appropriate activities.</p> <p>Educators were observed interacting with children positively, by speaking to them in a kind manner. Educators are very much aware of children's safety and will intervene to ensure children are being safe while playing along with their friends.</p> <p>Administrative records were also reviewed, and attendance of staff and children is being recorded, fire drills and outdoor checklist is also being documented monthly.</p>
