28(2) An operator of a licensed facility shall carry out emergency evacuation and fire drills monthly.	28(2)	Mar 31, 2021	
Comments: Please get back on track and complete fire drills on a monthly basis, since the last one was completed in December.			

General Comments
<p>Monitoring visit performed.</p> <p>Covid guidelines are being followed, daily logs completed, and screening taking place.</p> <p>This facility no longer provides extended hours, so the current hours of operation are 7:30 -5:00.</p> <p>Administrative records were reviewed during my visit and this is being tracked. Fire drills as stated above must be completed monthly.</p> <p>All staff are documenting incidents and they keep this stored in a binder. Parents are signing off so they are aware. I am recommending that educators also use appendix 6 in the Operator manual for documenting the date, time, dosage etc when children require ongoing treatment.</p> <p>All staff were observed being kind with the children and offering assistance when required with dressing or engaged while participating in an activity.</p> <p>Lots of wonderful programming observed and some rooms are purposefully planned. Lots of interaction and extending learning. Children were playing cooperatively in groups or individually.</p> <p>All staff are currently enrolled in ECE so they will be meeting the training requirements for July 2022. An exemption request is required to show your plan to meet the requirements of section 11 of the regulation.</p> <p>Please submit the request directly to me and this can be sent to me through email. TY.</p>
