Comments: Deficiency is now compliant			

General Comments
<p>Licensing staff arrived at the licensed facility to conduct a follow-up inspection visit on October 29, 2021. The centre was all decorated for Halloween. All of the children were very excited to show licensing staff their Halloween costumes and told her about their special plans for the day.</p> <p>All educators were observed interacting with the children and using positive child guidance techniques when needed.</p> <p>Licensing staff observed that the protective surfacing on the large playground was tilled up and replenished and is now at an appropriate depth to ensure the safety of the children.</p>
