### General Comments

A follow up to the renewal inspection was conducted today, Wednesday, November 10, 2021. Not all outstanding orders for compliance were completed. Discussed with on-site administrator and operator.

Children were observed engaged in art and story time with their educators during the follow up inspection. The children are a lively group and lots of laughter could be heard in the room.

The educators were observed very engaged with the children in the art, story time and in conversations with the children.
