General Comments
A Monitoring Inspection was completed this morning. Children were observed inside, during morning play and snack. Several forms of documentation were observed, many of which were directly linked to the New Brunswick Curriculum Framework. Children were observed taking part in several different activities, some of which included: Lego, Drawing, Barbies, Musical Instruments, Sliding, and Dancing. An Easter themed tree was observed in the classroom. Homemade egg ornaments were observed on the tree. Children stated that they had colored / decorated these eggs. Well defined learning / play centers were observed throughout the classroom, some of which included: Arts and Crafts, Building, Music, Science, Dramatic Play, and a Cozy Reading Area. Educators were engaged - anticipating children's needs, reflecting negative energy, using positive language when interacting with children, being on the children's level, taking part in play, and conversing with the children.
