<p>General Comments</p> <p>A renewal inspection was conducted today. The children were observed going for a walk with their peers/educators, inside free play, lunch, and quiet time. The children have been going on an outing weekly to the local library and the educators have brought the idea of the library back to the facility. There is a lending library set up and the children can take books out as if they</p>

General Comments

are at the local library.

The children's art and learning are beautifully displayed throughout the learning environment for the children to revisit.

Discussed with Administrator the requirement going forward of 10 hours of Professional Learning for each educator per year.
