| <p>General Comments</p> <p>I arrived for a monitoring visit and the children were eating. Then they had some free play inside and then went outside for a walk. They looked at some small apples growing on the apple tree. They came in and got ready to have a nap. The nap equipment is spaced out very well. This afternoon after nap and snack, they are painting.</p> <p>I looked at the staff, child, and administrative files today during my visit. The files are well organized. All staff files are up to date and all checks are current and clear. The child files contain all necessary documentation and all consents have been signed. The attendance is still kept up to date, and first aid, outdoor maintenance and cleaning checklists are done monthly. Fire drills continue to be done regularly. Please keep incident logs on separate pages for each child.</p> <p>During my visit everything seemed to be running well.</p> |
