<p>General Comments</p> <p>Regular monitoring inspection was performed on this date. Children were waking from quiet time at time of arrival. Diaper changing routine and afternoon snack was observed.</p> <p>Indoor play space was well maintained, clean and organized. Play materials were developmentally appropriate and provided for open ended and imaginative play opportunities.</p> <p>Home has recently acquired a pet rabbit which the children have been enjoying. Licensing staff reviewed Public Health policies regarding pets with the operator.</p> <p>Ensure that a notice of illness is posted on the door when two or more children develop symptoms of illness.</p> <p>Programming was reviewed and was observed to be based on the children's interests with a focus on what the educator could add to the children's play experiences. Emerging interests of the children included spring, planning what they want to grow, starting seeds, bubbles and life cycles.</p> <p>Positive behaviour guidance was observed at all times.</p>
