General Comments
<p>Licensing staff arrived at the licensed ELC home to conduct a license renewal inspection.</p> <p>Upon arriving at the facility, the children were eating an early lunch before going outside to play. While outside the children searched for apples but were not successful in finding any on the day of the inspection.</p> <p>When the children came inside, the children got washed up before going down for their nap time. All children present laid down on a cot and the infant laid down in a pack and play.</p> <p>The educator was engaged with the children at the child's level throughout the inspection.</p> <p>The indoor play environment was very clean and had a very welcoming feel. The children chose to do a mark making activity after they ate their early lunch using markers and paper.</p>
