General Comments
<p>Monitoring visit performed today.</p> <p>*There were 3 children present during my visit. Children listening to a Halloween story and they were very engaged and lots of interaction observed. Operator keeps a portfolio of children's activities - recent field trips, BD's celebrated, cooking activities, and other fun educational activities. Lots of conversation observed.</p> <p>*The operator has completed her 60 intro to ECE and 30 hour curriculum training. Please email me a copy of your certificates when they arrive and also keep them in your staff file. The Operator is now meeting the NB regulation which is a requirement to have by July 2020. Congrats!!</p> <p>*Children enjoyed Cheese, apple slices and bearpaws for snack. Children bring their own lunch from home.</p> <p>*No incidents to report, but if there is anytime you need to document, please refer to section 6.5.1 in the Operator manual and refer to "what you need to know". The log needs to include this information. Some operators choose to keep non reportable incidents in a binder in chronological order. Reportable incidents are documented different. Refer to section 6.5.2 for guidance if ever a need to document.</p> <p>*Operator's daughter is going to be her alternate and all staff information is completed. Operator will email a copy of the employee handbook and ensure her alternate has read all required documentation.</p> <p>Thank you for the visit.</p>
