<p>General Comments</p> <p>When I arrived the children were having nap time. The operator gave me a quick tour of the area. While the children were napping I was able to review the children's records and files.</p> <p>As the children woke up she set up the table for some mark making while she changed the younger children's diapers. Once that was completed the children washed their hands to get ready for snack time.</p> <p>The operator was very friendly and welcoming during the visit.</p>
