General Comments
<p>On the morning of my visit the children were getting ready for outdoor play time. The operator applied sunscreen and brought water and first aid kit outside.</p> <p>While outside the children were engaged in a wide range of activities such as bubbles, playing on the slide, driving the cars down the little hill, rolling the log down the hill and playing on the teeter totter.</p> <p>The operator took the children for walk on trail along the water. They played hide and go seek in the field. The children came back to the house. The operator followed proper hand washing and diaper changing procedures before lunch was served.</p> <p>After the children ate lunch they got ready for nap time. The children were tired from being outside most of the morning.</p>
