

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

### General Comments

Observed positive interactions between staff and children. Evidence of purposely planned and documented program such as webbing & learning stories are on display. Reading and music are highlighted with documentation in the rooms. Reading and singing with children provides children and educators with opportunities to form relationships, and helps children learn the conventions of their languages (NB Curriculum Goal Communications and Literacies).
