General Comments

The Quality Assurance Monitor is on-site conducting a monitoring inspection.
Child-to-staff ratios are maintained throughout the visit.

During the inspection, the Quality Assurance Monitor observes that all classrooms have the appropriate amount of materials and equipment for the children present. Additionally, positive interactions between educators and children are observed throughout the visit.

While on-site, the two-year-old group is out for a walk, while the other groups are engaged in indoor play.

The Quality Assurance Monitor also observes a group of children preparing to go for a walk and participate in outdoor classroom activities.

A new staff member has been added to the system.
