

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

|                                                                      |                           |                                             |  |

| Order for Compliance                                                                                                                                                                                                                                                       | Regulation  | Date to be corrected | Date corrected |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|----------------------|----------------|
| 12(3) An operator of a licensed facility shall ensure that a criminal record check or a vulnerable sector check, as the case may, and a check with the Department of Social Development is conducted on each staff member and associated person at least every five years. | 12(3)       | Oct 31, 2023         | Nov 08, 2023   |
| Comments: A copy of the missing check was sent to the Quality Assurance Monitor as proof of compliance. Deficiency is now compliant                                                                                                                                        |             |                      |                |
| 24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (d) associated person records that include (i) a copy of a criminal record check.                                   | 24(1)(d)(i) | Oct 31, 2023         | Nov 08, 2023   |
| Comments: A copy of the missing check was sent to the Quality Assurance Monitor as proof of compliance. Deficiency is now compliant                                                                                                                                        |             |                      |                |
| 33(2) Stationary equipment in the outdoor play area shall be surrounded by a protective surfacing and installed according to the manufacturer's instructions.                                                                                                              | 33(2)       | Sep 01, 2023         | Nov 15, 2023   |
| Comments: The administrator has submitted photos of the completed work and has confirmed that the structure has been installed according to the CSA standards. A guard rail and pea gravel was added. Deficiency is now compliant                                          |             |                      |                |

|                                                                                                                             |
|-----------------------------------------------------------------------------------------------------------------------------|
| General Comments                                                                                                            |
| The Quality Assurance Monitor is not on-site at this time. Another monitoring inspection will be conducted at a later date. |
