<p>General Comments</p> <p>Upon Licensing staff arrival, the Operator and children were returning from a walk.</p> <p>Before going indoors after their walk, the children played outside for a few extra minutes. The outdoor play space is large with a wooden playhouse containing mud kitchen material, tires, trucks, wooden pieces, a stand-up vegetable garden, a sensory wall with a muffin tin, pipes and a pot, and a wooden climber.</p> <p>The indoor space was very welcoming, clean, organized and bright. There was an indoor club house with a slide, a cozy corner with books and a mirror, wooden play pieces, art supplies, a chalk board wall, and a learning station with stick bugs. The children's belongings were tidy and on hooks labelled with their names. Documentation, learning stories and children's artwork were on the walls throughout the room.</p> <p>Some of the children were observed washing their hands before afternoon snack while another child went for a nap. For snack, the children had rice cakes and apple sauce with water. The Operator sat with the children and was actively engaged using kind words of encouragement like "good job!!" and "what great manners!". The children were happy playing after snack with giggles and smiles in the main play space.</p> <p>Licensing staff recommends for renewal.</p>
