<p>General Comments</p> <p>When licencing staff arrived, the children were coming from outdoor play time. They were covered in mud after digging for worms in the dirt. The children are familiar with the routine after coming inside. They stood at the door waiting to get undressed so they would not bring mud and dirty into the facility.</p> <p>The centre is clean, bright and has many natural materials for the children to use.</p> <p>The educator demonstrates patience and has a calm voice and demeanor. The educator promotes independence in the facility as noted when the children went to the fridge for their water bottles and to get their lunch bag when they wanted something to eat.</p> <p>During the visit the children participated in a variety of activities such as bingo, dramatic play. obstacle course, shaving cream play and painting.</p>
