<p>General Comments</p> <p>License Renewal Inspection was completed today.</p> <p>The play environment was set up with play centres for when the children arrived at the licensed facility.</p> <p>During the inspection, the children were engaged with the materials as a group and as individual play. The educators were engaged with the children throughout the license renewal inspection visit.</p> <p>The use of observation and planning forms gives the educators opportunities for planning. This form</p>

General Comments

demonstrates how activities and materials were provided by the educators and allowed for observations for future activities.

Licensing staff observed positive child guidance strategies, used by the educators. An educator used redirection to diffuse an argument between two children during the inspection.
