General Comments
Operator is very organized and able to provide proof to licensing staff with all documentation required to meet regulations.
Operator is journaling ideas to implement activities with the children. The children's work is displayed throughout the play space and there are many learning materials and centres available to the children. The Operator is very kind towards the children and engages with them at their level.
The Operator has implemented a natural component to the outdoor play space in a space with trees. There are many learning centres to promote learning and play both in the indoors and outdoors.
Licensing staff can recommend facility for licensing.
