<p>General Comments</p> <p>Two children were in attendance on this date during the monitoring inspection. The children were engaged with dump trucks, train table and balls and ramps throughout the inspection. The operator was observed sitting with the children and modeling sharing and expanding on their play by asking questions and showing them different ways to engage with the play materials. The interactions between the operator and the children were pleasant and encourage language development with the young children in attendance.</p> <p>Staff files, associated persons and relief staff files were review and contained all necessary documentation, valid first aid/CPR and up to date criminal record, vulnerable sector and social development checks.</p> <p>Children's files were reviewed and were well maintained with all necessary forms were filed appropriately. Daily information sheets are being completed for children under the age or two.</p> <p>Positive behaviour guidance was observed at all times.</p>
