<p>General Comments</p> <p>Operator was closed at time of visit but inspection was completed for renewal. Quality Assurance Monitor to return to conduct a monitoring visit to observe interactions and program for children.</p> <p>Operator is using learning stories which she shares on a private facebook page with the children's parent(s). Recommended to the Operator, to make picture poster boards to display in children's play area for children. Also recommended the use of portfolios for children where the children could keep some of their learning in it which could be used as documentation that can be verified by licensing staff. Please continue to develop curriculum based on the curriculum framework for New Brunswick.</p> <p>Operator stated that they have not had to use potential illness forms as children have not been ill. Please be advised that if a child ever leaves facility ill for any reason, it is to be documented on these forms.</p> <p>Meals and snacks are provided by the parent(s). Parent(s) send in water bottles for their children.</p> <p>There is only one child who naps in a play pen. The child is an infant and sleeps separately in a play pen away from play area.</p> <p>Operator has 4 school age children, 1 infant and 1 two year old.</p> <p>Licensing staff can recommend facility for licensing.</p>
