<p><b>General Comments</b></p> <p>A renewal inspection occurred today.</p> <p>As licensing staff arrived the children were heading outside. Shortly after the children returned to cool off. The children were offered cold freezies and were able to dunk their heads to cool off. The children were having fun as they styled their hair and showed it off to their peers, educators and licensing staff.</p> <p>Educators were observed engaging in meaningful conversations with the children. The indoor environment was set up with invitations and materials that reflected the children's current interests. Children had the opportunity to move freely inside the classroom. Children were observed playing dress up in the dramatic play center, playing ping pong with their peers, and creating 'babies and pickles' using cut up gloves, string and sand. Educators were proud to share their summer experiences and future plans like having a jersey day and making homemade ice cream, as per the children's request.</p> <p>All staff files and random review of child's file were complete.</p> <p>Facility is recommended for licensing pending Public Health's recommendation.</p>
