General Comments
A Monitoring Inspection was completed this afternoon. School aged children were observed arriving at the facility. Children were observed washing their hands at arrival. Children were observed eating snack and taking part in activities. Educators had a Halloween activity ready for the children's arrival. Children were observed taking part in a variety of activities - building, Halloween craft, and playing house. Several well-defined learning / play centers were observed - building, reading, dramatic play, arts and crafts, and science. Attendance records were observed and accurate. Monthly fire evacuation drills were observed. A binder full of photos and learning stories from the past year was observed. A list of allergies were observed posted on the wall. Positive child guidance techniques were observed - educators using positive language, educators providing children with choices, and educators conversing with the children.
