| <p>General Comments</p> <p>When I arrived the afterschool kids were going outside and the preschool children were playing inside.</p> <p>The preschool children were engaged in different activities throughout the day such as arts and crafts, blocks, reading books and playing with animal figurines.</p> <p>The afterschool children played outside all morning and then came inside for arts and crafts and other activities before lunch.</p> <p>Both groups spent alot of time outside in the morning which the children seem to enjoy.</p> <p>I observed lots of positive child guidance such as gentle reminders and positive reinforcement. The educators are attentive, engaged and respectful with the children and are often observed playing with them.</p> <p>The centre is clean and well organized. The children have lots of toys and learning materials to meet their educational needs and interests.</p> <p>The children seem well established in their routine and transition well from one activity to another.</p> <p>Everything is in compliance today; I recommend for renewal.</p> |
