General Comments
<p>Preschool program is currently not operating at this location.</p> <p>Children were having lunch when I arrived for today's visit. Today is "hot lunch Wednesdays" where families can sign up and have a hot lunch delivered to the facility for their children from a local food vendor. Today's hot lunch was spaghetti and a fruit cup.</p> <p>After lunch, children were permitted to play around the room (mostly observed in dramatic play centre and Lego at this time) until all their friends finished eating and the tables were properly cleaned. Once the tables were clean, the children were able to use them. The educator introduced a butterfly craft for everyone to do, those who wished to not participate were able to play elsewhere. Everyone ended up migrating to either the craft or coloring/drawing.</p> <p>Educator and children walked across the street to play at the school park for a couple of hours. Before leaving, educator ensured all children used the washroom and filled their water bottles to bring with them. Educator was observed to be constantly on the move to ensure she would be able to properly supervise all the children.</p> <p>Educator was observed being attentive and interacting with the children during time of inspection. She was observed providing gentle reminders when need be. She was also observed ensuring she got down to the children's level when speaking with them.</p>
