### General Comments

Children were having snack upon arrival. Once all the children had finished eating, they had circle time. During this time, children sang the "Good Morning Song", discussed the days of the week, the weather and read a story. The story was "Katie loves the kittens". After circle time the children got ready for outdoor play time. Due to the cold weather the children came inside early. The children were able to participate in some free play activities before lunch. The popular areas were the kitchen in the dramatic play area and the magnetic blocks. The facility is clean and organized. The large windows allow plenty of natural light to shine in. It's recommended that more open-ended play materials be added to the outdoor play space as there were only a couple of bowls and wooden spoons and one snowball maker for the children to play with.
