<p>General Comments</p> <p>Monitoring Inspection - Preschool Room:</p> <p>Children engaged in a variety of activities this morning including block building, painting, building with magnetic tiles, and drawing. Children's current interests (building and babies) are evident through documentation and materials added to the learning environment. Materials are organized in a way that invites children to choose items freely during play.</p> <p>Extreme Allergy Management Plan for one child not updated for this year. Ensure this is completed.</p>
