General Comments

Monitoring Inspection:

Children and educators observed engaged in a variety of activities this morning including outdoor play, dramatic play, exploring magnetic blocks and art. The children in Three/Four Room have been learning about bones and x-rays; materials have been added to the environment to support this interest. The children in the Fours Room have adopted a calf; a farm has sent them photos and information about the calf. Documentation is displayed supporting the children's learning experiences.

The walls, counter, soap dispenser, and garbage bin in the Two/Three Room are unclean; to be deep cleaned and cleaned regularly. The walls and light switch in the washroom in the Fours Room are unclean; to be deep cleaned and cleaned regularly. The potty seat in the Three/Fours Room is unclean and kept on the floor; to be cleaned and hung up off the floor.

QA Monitor noted that the facility is currently in outbreak. The outbreak was not reported to QA Monitor at time of inspection. Reportable incident was submitted - Nov 24/26.

Homemade pizza was served for lunch.
Handwashing routines observed after outdoor play and before lunch.
Monthly fire drills are documented.
Daily attendance records are accurate and reflect all children present. Child-to-staff ratio was observed to be met during Monitoring Inspection.
New staff file (5) review was completed; all required documents are in place.
Incident logs are complete and signed by parent/guardians.
Facility is currently meeting the 50% trained Early Childhood Educators (6/7) requirement.
