Comments: Deficiency is now compliant			

General Comments
A renewal inspection occurred today. Children were observed in both indoor and outdoor environments. Environments were set up and ready for children to engage and explore. Documentation is reflective of children's current interests, curiosities and passions. Materials were inviting for all senses and inspiring. Educators were observed meeting children on their level, asking questions and giving time for each child to express what they are feeling. All checks were observed and complete. All files were observed and also complete.
