General Comments
<p>On the day of my visit the program was functioning very well. The children were napping and Laura's children went to the park with their Father. Laura screened me according to the Covid-19 procedures and she is following all items of the latest recovery documents.</p> <p>The children's programming is lovely and they are exploring Fall themes. They are right beside Odell Park and they take nature walks frequently. Laura's backyard is also very child friendly and it is fenced with a lockable gate.</p> <p>There were no compliances today.</p>
