General Comments

On the day of my visit I was properly screened upon entry and all Covid protocols are being followed. The children's Art work is really interesting and Laura just finished a course on process driven Art . She is doing a great job of incorporating these principles. Today they are doing cardboard collage as their Art activity.

Snack was cereal, milk and bananas and afterwards everyone went outside to play. Laura's inside and outside play areas are well set up for the children and the environment is the third teacher.
