General Comments

Licensing Staff arrived to perform a regular monitoring inspection and introduce new Quality Assurance Monitor to Operator. Upon arrival, children were seen playing outside in the mud kitchen, sandbox and water tables. The outdoor space has lots of materials and play areas such as a wooden house, multiple water tables and gardens. The children were picking flowers for their families and talking about their end of year party which is happening later this afternoon. The families are gathering at a park this afternoon for pizza and cupcakes which the operator has baked.

Children enjoyed playing with a bubble machine and were seen taking turns. Operator was engaged with the children, singing songs together, sharing in their excitement and interests. Positive child guidance was noted throughout the visit. Operator got down to the children's level and was heard saying "Great Job, sharing", "We each get 3 turns and then pass it to a friend".

Children came inside and washed hands for lunch. Operator sat with children while they ate lunch, engaging in conversations with the children about their weekend.
