<p>General Comments</p> <p>The Quality Assurance Monitor is on site for a monitoring inspection.</p> <p>The QAM verified these items:</p> <ul style="list-style-type: none"> -Ratio and maximum number of children -If all required documents are posted in a visible and prominent place in the facility -Outdoor play area -Nutrition -Personal belongings <p>During the visit, the ratio was respected. The parents are well informed of important information regarding the operation of the facility. The outdoor play area materials and equipment are varied and in sufficient quantity for all the children present. There's easily accessible storage space for the personal belongings of each child.</p> <p>The QAM had a discussion with the operator regarding the designation requirements. The operator has already completed the 10 hours of professional learning and QIP is up to date.</p>

General Comments

The QAM observed children eating a snack and doing free play indoor.
