General Comments

Inspector is onsite to complete the renewal inspection and observes outdoor play in the morning, handwashing before lunch, lunchtime, and the rest period. Positive interactions between the operator and the children are noted throughout the inspection.

Children are engaged in learning about the seven sacred animals of the Indigenous culture. Today, the focus is on the eagle, which represents Love. The children enthusiastically share with the inspector what they have learned over the course of the week.

The ratio is respected during the renewal inspection.
