General Comments
<p>Licensing staff arrived at the licensed facility to conduct the license renewal inspection on January 26, 2023.</p> <p>On the day of the license renewal inspection, school was cancelled, and the children were at the licensed facility for a full day.</p> <p>When licensing staff arrived at the facility, the children were engaging in gross motor play activities in the break-out room. The children were playing with balls and observed running around pylons.</p> <p>When licensing staff asked the educator if they fill out a purposely planned activity schedule, she replied that they typically fill out a preplanned activity schedule however not recently. The educators do have a planning binder that they use for scheduled activities and reflections on the activities and interests of the children. Please ensure that the purposely planned activity schedules are created in advance based on the children's interests in advance and posted in a visible and prominent location.</p> <p>Licensing staff noted two large armchairs in the play space on the upper level of play space that are cracked and could pose to be a health hazard. Please remove these chairs from the play space.</p> <p>Educators were observed using positive child guidance techniques and were observed engaging with the children throughout the inspection visit.</p>
