General Comments
<ul style="list-style-type: none"> - Visit to the facility for a monitoring inspection. - Ratio was respected during the visit. - Public health guidelines during recovery of COVID pandemics are being respected by the facility. - Each child has it own individual space to put their belongings. - The cleaning supplies needs to be stored in a locked space. The locks that are being used right now are not efficient. - During the visit kids were having a discussion with the educator about Italy, they then went into free play.
