General Comments

-Visit to the learning center for an unexpected monitoring inspection
-Ratio was respected during the visit
-Indoor environment provides for children a space that is safe and clean. The material is varied and in sufficient quantity for all children present, easily accessible on low, open shelves
-Toxic products, and cleaning supplies are locked and inaccessible to children
-Educators are using the curriculum in the language in which services are provided
-Proof on premises that educators have completed 10 hours of professional development per year
-The operator has implemented and is monitoring the quality improvement plan
-No hot beverage was found in the children's indoor and outdoor play area
-A first-aid kit and a phone are always accessible on site and on outings.
-There is no nap time at this center, children are only attending on mornings.

Observations: Children are expecting the visit of a fire truck in the morning will waiting they got into free play; some were playing dress up; others were into pretend play and playing with a dollhouse.
