<p>General Comments</p> <p>Children engaged in circle time this morning. A variety of materials are accessible throughout the learning environment. Educator has created a Santa's village on the train table for the children to explore.</p> <p>Documentation is posted with photos of the children throughout the room. The educator has documented the children's learning that was observed when an invitation of burlap, darning needles and yarn was set up on the train table to encourage the children to explore weaving and sewing. Great invitations!</p> <p>Discussed with educator reintroducing shared open ended art materials into the environment. Children can now share these materials. Ensure markers, scissors, glue, etc. are included in your daily cleaning routine.</p> <p>It is evident that the educators have been working hard to ensure all COVID-19 guidelines are in place to protect the health and safety of the children in the preschool program.</p>
