### General Comments

A renewal inspection occurred today.  
All staff files were reviewed and verified complete. All children's files were reviewed and verified complete.  
Children's art and learning is displayed throughout each of the learning` environments.  
Children were observed engaging in morning meeting, creating designs with popsicles, playing in the sand table, creating art, reading books.  
Webs, charts and learning stories of the children's current interests are documented in each room.  
Educators were observed down at the level of the children, engaged in conversation and learning with them  
Speaking positively and appropriately to them.  
Facility is recommended for license renewal, pending the recommendation from Public Health.
