<p><b>General Comments</b></p> <p>Public Health has stated that Operator was to have a water filtration system installed by today's dead line (April 26, 2019). This has yet to be installed, still providing bottled water. Will follow up with Public Health.</p> <p>It is recommended that the facility purchases a couple more cots/sleeping mats in case more than one child would like to sleep or is not feeling well. Please do so by the end of May 2019.</p> <p>Educators had many fun and interesting activities planned for the children while I was visiting.</p>
