**General Comments**

Children were happily playing upon my arrival to the facility. Operator was in the process of preparing lunch (chicken, side kick noodles, bread and mixed veggies). They also had the chance to practice for a fire drill while I was at the facility, the children did amazingly well at responding to the proper procedures for a fire drill.

Please have your inspector's name and contact information added to your parent information board. See Regulation 25 (e) in the Early Childhood Services Act.

Please be sure children are not sharing food during meal times.
